Mr. CRAIG. Mr. President, I have sought recognition to comment on S. 1235, the Veterans' Housing Opportunity and Benefits Act of 2006. This legislation is the product of a compromise agreement reached between the Senate and House Committees on Veterans' Affairs. The legislation cleared the House on Monday by a unanimous vote of 372 to 0. Its passage today in the Senate will continue the tradition of cooperation between the two Houses of Congress and among all political parties when it comes to legislation to improve the benefits and services available for our nation's veterans.

Before I thank my colleagues on both sides of the aisle who worked diligently on the provisions of this bill, I would like to take a few moments to comment on provisions that I was particularly interested in seeing enacted in that they will impact the lives of servicemembers returning from the global war on terrorism who have severe disabilities.

It is quite natural, and in many cases necessary for therapeutic or rehabilitative reasons, for a young servicemember who is severely wounded to spend some time convalescing at the home of his or her family before moving on to live a fully independent life. The nature of some severely wounded servicemembers' wounds require adaptations to the homes in which they live—such as larger doorways, ramps, hand rails, and other modifications. VA has a grant program to assist servicemembers and veterans with expenses associated with these modifications, but the program needs greater flexibility to address the reality of how young wounded warriors convalesce. Section 101 of the legislation provides that flexibility. It authorizes VA to equip a family member's home using a partial grant—with some portion, or all, of the remainder of the grant available for later use—of between \$2,000 and \$14,000. I was proud to join Senator JOHN SUNUNU on an amendment that cleared the Senate earlier this year that contained this provision. I am even prouder that we were able to include it in the final bill.

Section 301 of S. 1235 is another provision that makes a reasonable accommodation in a benefit program to meet the realities faced by convalescing, severely disabled servicemembers. Servicemembers adjudicated as totally

disabled at the time of their separation from service have up to one year after separation to apply to receive premium-free Servicemembers' Group Life Insurance coverage during the 1-year, post separation period, and to convert their coverage to Veterans' Group Life Insurance, or an individual plan or policy. Taking advantage of the conversion option is especially critical for totally disabled veterans who, because of their disabilities, may not be insurable at competitive commercial rates after military service. Through a targeted outreach effort to this population, VA learned that many totally disabled veterans do not convert their coverage to VGLI because they may have neglected post-separation financial planning due to the effects of their disabilities, or because they were simply unaware of the extension option. To give these convalescing servicemembers as much time as possible to make informed decisions about their future financial security, section 301 would extend from 1 to 2 years the available conversion period.

There are many other enhancements contained in this legislation. They cover housing, insurance, employment and other miscellaneous benefit programs. And, not a small point in this time of fiscal austerity, the legislation is budget neutral.

I would like to take a moment to thank those who are responsible for bringing this compromise agreement to the brink of enactment. First, the committee's ranking member, Senator DANIEL AKAKA, provided his customary—and indispensable—cooperation and leadership. He and his staff worked very closely with me and my staff to shepherd the original legislation through the Senate, and then to work together with my House colleagues on this compromise. Veterans in Hawaii should be proud to have Senator AKAKA at the helm. And I am proud to have him as the committee's ranking member.

I salute Chairman STEVE BUYER and Ranking Member LANE EVANS of the House Veterans' Committee; Subcommittee on Disability Assistance and Memorial Affairs Chairman JEFF MILLER and Ranking Member SHELLEY BERKLEY; and Subcommittee on Economic Opportunity Chairman JOHN BOOZMAN and Ranking Member STEPHANIE HERSETH for their work and for their spirit of accommodation. They and their staffs are to be commended for a job well done.

Yesterday, the Congress sent bipartisan legislation, the Respect for America's Fallen Heroes Act, to the President for his signature. Today, I am also asking my colleagues in the Senate to send the Veterans' Housing Opportunity and Benefits Act of 2006, to the President. I am thankful that our celebration of Memorial Day on Monday coincides with the Congress sending so strong a message of support to those who have worn the uniform.

Mr. President, I ask unanimous consent that the text of the attached joint

explanatory statement be printed in the RECORD.

There being no objection, the material was ordered to be printed in the RECORD, as follows:

Adapted housing assistance for disabled veterans residing in housing owned by family member

Current law

Chapter 21 of title 38, United States Code, authorizes the Secretary to provide grants to adapt or acquire suitable housing for certain severely disabled veterans. The grant amounts are limited to \$50,000 for severely disabled veterans with impairments of locomotion or loss of function of both arms described in section 2101(a) of title 38, United States Code, and \$10,000 to severely disabled veterans with loss of vision or loss of function of both hands as described in section 2101(b) of title 38, United States Code. Currently a veteran may receive a grant for specially adapted housing only once. However, a veteran who has qualified for the smaller grant may nonetheless receive a higher grant if disabilities under that provision later develop.

Senate bill

The Senate Bill contains no comparable provision.

House bills

Section 101(a) through (e) of H.R. 3665, as amended, would amend chapter 21 of title 38, United States Code, by inserting a new section 2102A. Subparagraph (a) would authorize the Secretary of Veterans Affairs to conduct a program providing a partial adapted housing grant to severely injured veterans residing temporarily in housing owned by a family member. Subparagraph (b) would authorize the Secretary to provide up to a \$10,000 grant for such veterans with disabilities involving impairments of locomotion and up to a \$2,000 grant for such veterans with visual impairments or loss of function of both hands. Subparagraph (c) would limit the assistance to one family residence. Subparagraph (d) would require the Secretary to issue relevant regulations. Finally, subparagraph (e) would limit the program to 5 years after enactment.

Section 101(b) of H.R. 3665, as amended, would amend section 2102 of title 38, United States Code, to allow a veteran to receive no more than three grants of assistance under chapter 21 of title 38, United States Code.

The total value of all grants would not exceed \$50,000 for the most severely disabled veterans and \$10,000 for less severely disabled veterans. However, a veteran who receives a grant under section 2102(b) of title 38, United States Code, would still be allowed to receive grants under section 2102(a) of title 38, United States Code, if he or she becomes eligible.

Section 101(c) would amend chapter 21 of title 38, United States Code, by adding at the end a new section 2107 to provide that the Secretary shall coordinate the administration of programs to provide specially adapted housing that are administered by both the Under Secretary for Health and the Under Secretary for Benefits under chapters 17, 21, and 31 of title 38, United States Code.

Compromise agreement

Section 101 of the Compromise Agreement generally follows the House language except in the case of veterans residing temporarily in housing owned by a family member, veterans with disabilities involving impairments of locomotion may receive up to \$14,000. Section 101 would also increase the funding fee for a subsequent use of the VA home loan guaranty with no money down by 5 basis points for the period October 1, 2006 through September 30, 2007.

Adjustable rate mortgages

Current law

Section 3707A(c)(4) of title 38, United States Code, limits the maximum increase or decrease of any single annual interest rate adjustment after the initial contract interest rate adjustment to 1 percentage point.

Senate bill

Section 201 of the Senate Bill would give VA the flexibility to prescribe an appropriate annual rate adjustment cap for VA hybrid Adjustable Rate Mortgage loans with an initial rate of interest fixed for 5 or more years.

House bills

The House Bills contain no comparable provision.

Compromise agreement

Section 102 of the Compromise Agreement follows the Senate language.

Permanent authority to make direct housing loans to native american veterans

Current law

Section 3761 of title 38, United States Code, establishes a pilot program to make direct housing loans to Native American veterans for homes on tribal lands. The authorization expires on December 31, 2008. Section 3762 of title 38, United States Code, describes the administration of the program and limits the maximum loan amount to \$80,000, unless the Secretary allows a larger amount due to higher housing costs in a particular geographic area.

Senate bill

Section 203 of the Senate Bill contains a similar provision.

House bills

Section 102 of H.R. 3665, as amended, would make permanent the Native American Veteran Housing Loan Program. It would also limit the Secretary's discretion in approving a loan larger than \$80,000 to the loan limitation amount provided by the Federal Home Loan Mortgage Corporation Act for a single-family residence.

Compromise agreement

Section 103 of the Compromise Agreement follows the House language.

Extension of Eligibility for direct loans for Native American Veterans to a veteran who is the spouse of a Native American

Current law

Section 3761 of title 38, United States Code, limits loans under the Native American

Home Loan Program to veterans who are Native Americans. Under current law, a veteran residing on tribal lands with a Native American spouse is not eligible to receive a home loan under this program.

Senate bill

The Senate Bill contains no comparable provision.

House bills

Section 103 of H.R. 3665, as amended, would extend eligibility for the Native American Veteran Housing Loan Program to non-Native American veterans who are spouses of Native Americans eligible to be housed on tribal land. The non-Native American veteran must be able to acquire a meaningful interest in the property under tribal law.

Compromise agreement

Section 104 of the Compromise Agreement follows the House language.

Technical Corrections to Veterans' Benefit Improvement Act of 2004

Current law

Section 2101 of title 38, United States Code, provides for grants to adapt or acquire suitable housing for certain severely disabled veterans. Section 401 of Public Law 108-183 amended section 2101 to authorize the Secretary of Veterans Affairs to provide adapted housing assistance to certain disabled servicemembers who have not yet been processed for discharge from military service, but who will qualify for the benefit upon discharge due to the severity of their disabilities. However, this provision was inadvertently omitted from section 2101 of title 38, United States Code when changes to that section were made by P.L. 108-454.

Senate bill

Section 202 of S. 1235 would amend section 2101 of title 38, United States Code, to reinstate the authority of the Secretary to provide adapted housing assistance to certain members of the armed services and make other conforming amendments. The amendments made by this provision would take effect on December 10, 2004, immediately after the enactment of Public Law 108-454.

House bills

Section 4 of H.R. 2046, as amended, contains a similar provision.

Compromise agreement

Section 105 of the Compromise Agreement contains this provision.

TITLE II—EMPLOYMENT MATTERS

Additional duty for the Assistant Secretary of Labor for Veterans' Employment and Training to raise awareness of skills of veterans and of the benefits of hiring veterans

Current law

Subsection (b) of section 4102A of title 38, United States Code, describes the duties to be carried out by the Assistant Secretary of Labor for Veterans' Employment and Training.

Section 202(a) of H.R. 3665, as amended, would add a new duty for the Assistant Secretary of Labor for Veterans' Employment and Training (ASVET) under section 4102A of title 38, United States Code, to furnish information to employers (through meetings with hiring executives of corporations and otherwise) concerning the training and skills of veterans and disabled veterans, and the advantages of hiring veterans. The ASVET would also be required to facilitate employment of veterans and disabled veterans

through participation in labor exchanges (Internet-based and otherwise), and by other means.

Section 202(b) of H.R. 3665, as amended, would require the Secretary of Labor, acting through the ASVET, to develop a transition plan for the ASVET to assume certain duties and functions of the President's National Hire Veterans Committee and transmit the plan to the House and Senate Veterans' Affairs Committees not later than July 1, 2006.

Compromise agreement

Section 201 of the Compromise Agreement generally follows the House language, but does not include the requirement that the Secretary of Labor develop and transmit a transition plan.

Modifications to the Advisory Committee on Veterans Employment and Training

Current law

Section 4110 of title 38, United States Code, establishes the Advisory Committee on Veterans Employment and Training, its membership, and its duties. The Advisory Committee advises the ASVET on the employment and training needs of veterans and how the Department of Labor is meeting those needs. No outreach efforts are required of the Advisory Committee in current law.

Senate bill

The Senate Bill contains no comparable provision.

House bills

Section 203(a) of H.R. 3665, as amended, would amend section 4110 of title 38, United States Code, by renaming the "Advisory Committee on Veterans Employment and Training" to "Advisory Committee on Veterans Employment, Training, and Employer Outreach".

Section 203(b) would modify the duties of the Advisory Committee to include assisting and advising the Assistant Secretary of Labor for Veterans' Employment and Training (ASVET) in carrying out outreach to employers.

Section 203(c) would modify the membership of the Advisory Committee to include representatives from the National Society of Human Resource Managers, The Business Roundtable, the National Association of State Workforce Agencies, the United States Chamber of Commerce, the National Federation of Independent Business, a nationally recognized labor union or organization, veterans service organizations that have a national employment program, and recognized authorities in the fields of business, employment, training, rehabilitation, or labor. Section 203(c) would also retain six nonvoting ex officio members of the Advisory Committee: Secretary of Veterans Affairs, Secretary of Defense, Director of the Office of Personnel Management, Assistant Secretary of Labor for Veterans' Employment and Training, Assistant Secretary of Labor for Employment and Training, and the Administrator of the Small Business Administration.

Section 203(d) of H.R. 3665, as amended, would require the Advisory Committee to submit a report to the Secretary of Labor on the employment and training needs of veterans for the previous fiscal year. The report would include a description of the activities of the Advisory Committee during that fiscal year as well as suggested outreach activities to be carried out by the Secretary of Labor to employers with respect to the training and skills of veterans and the advantages afforded employers by hiring veterans.

Section 202 of the Compromise Agreement follows the House language.

Reauthorization of Appropriations for Homeless Veterans Reintegration Programs
Current law

Senate bill

The Senate Bill contains no comparable provision.

Compromise agreement

Section 203 of the Compromise Agreement follows the House language.

TITLE III—LIFE AND HEALTH INSURANCE
MATTERS

Duration of Servicemembers' Group Life Insurance coverage for totally disabled veterans following separation from service

Current law

Section 1968 of title 38, United States Code, provides coverage at no charge under the Servicemembers' Group Life Insurance program for 1 year after the date of separation or release from active duty if a veteran is rated totally disabled at the time of separation. Veterans may also convert their insurance coverage from Servicemembers' Group Life Insurance to Veterans' Group Life Insurance, or to an individual policy of insurance, during the 1-year, post-separation period.

Senate bill

Section 101 of the Senate Bill would extend from 1 to 2 years, after separation from active duty service, the period within which totally disabled members may receive premium-free SGLI coverage. In addition, such members would be eligible to convert their coverage to Veterans' Group Life Insurance or an individual policy of insurance.

House bills

The House Bills contain no comparable provision.

Compromise agreement

Section 301 of the Compromise Agreement would extend the post-separation coverage period from 1 to 2 years until September 30, 2011, for all members who are totally disabled when separated or released from active duty 1 year before date of enactment of this Act. For members who are totally disabled when they separate or are released on or after October 1, 2011, the post-separation coverage period would be reduced to 18 months.

Limitation on premium increases for reinstated health insurance of servicemembers released from active military service

Current law

Section 704 of the Servicemembers Civil Relief Act (SCRA) provides that a servicemember who is ordered to active duty is entitled, upon release from active duty, to reinstatement of any health insurance coverage in effect on the day before such service commenced. Section 704 of the SCRA currently contains no express provision regarding premium increases.

Senate bill

The Senate Bill contains no comparable provision.

House bills

Section 2 of H.R. 2046, as amended, would amend section 704 of SCRA by adding at the end a new subsection that would limit health insurance premium increases. The amount charged for the coverage once reinstated

would not exceed the amount charged for coverage before the termination except for any general increase for persons similarly covered by the insurance during the period between termination and the reinstatement.

Compromise agreement

Section 302 of the Compromise Agreement follows the House language.

Preservation of employer-sponsored health plan coverage for certain reserve-component members who acquire tricare eligibility

Current law

Section 4317 of title 38, United States Code, requires an employer to provide employees returning from active duty with the same employer-sponsored health benefits they had when they reported for active duty. However, section 4317 does not preserve employer-sponsored health plan reinstatement rights for certain Reserve-component members who acquire health insurance coverage under TRICARE prior to entering active duty under section 1074(d) of title 10, United States Code. This option became available by an amendment to the TRICARE authority enacted on November 24, 2003.

Senate bill

The Senate Bill contains no comparable provision.

House bills

Section 3 of H.R. 2046, as amended, would amend section 4317 of title 38, United States Code, to preserve employer-sponsored health plan reinstatement rights under the Uniformed Services Employment and Reemployment Rights Act for Reserve-component members who acquire TRICARE coverage prior to entering active duty. This includes those Reserve Component members whose active duty orders are canceled prior to reporting to active duty.

TITLE IV—OTHER MATTERS

Inclusion of additional diseases and conditions in diseases and disabilities presumed to be associated with prisoner of war status

Current law

Section 1112(b) of title 38, United States Code, contains two lists of diseases that are presumed to be related to an individual's experience as a prisoner of war. The first presumptive list requires no minimum internment period and includes diseases associated with mental trauma or acute physical trauma, which could plausibly be caused by a single day of captivity. The second list has a 30-day minimum internment requirement.

Senate bill

Section 303 of the Senate Bill would codify a June 28, 2005, VA regulation which added atherosclerotic heart disease or hypertensive vascular disease (including hypertensive heart disease) and their complications (including myocardial infarction, congestive heart failure and arrhythmia), and stroke and its complications as presumptive conditions for service-connection when related to the prisoner of war experience. These diseases would be included under the list requiring a minimum 30-day internment period.

House bills

The House Bills contain no comparable provision.

Compromise agreement

Section 401 of the Compromise Agreement follows the Senate language.

Consolidation and revision of outreach activities

Current law

Section 7722 of title 38, United States Code, requires the Secretary of Veterans Affairs to

distribute full information to eligible servicemembers, veterans, and dependents regarding all benefits and services to which they may be entitled under laws administered by the Department.

Senate bill

Section 301 of the Senate Bill would require VA to prepare annually (and submit to Congress) a plan governing an upcoming year's outreach activities. Such a plan would incorporate the recommendations of the report mandated by Public Law 108-454, and would be prepared after consultations with veterans service organizations, State and local officials, and other interested groups and advocates.

House bills

The House Bills contain no comparable provision.

Compromise agreement

Section 402 of the Compromise Agreement follows the Senate language with modifications. VA outreach activities would be revised and consolidated in a new chapter 63 of title 38, United States Code. Additionally, VA would be required to prepare biennially an outreach plan governing an upcoming 2 years of outreach activities, beginning on October 1, 2007. Furthermore, VA would be required to report biennially on the execution of the outreach plan, beginning on October 1, 2008.

Extension of reporting requirements on equitable relief cases

Current law

Section 503 of title 38, United States Code, authorizes the Secretary of Veterans Affairs to provide monetary relief to persons whom the Secretary determines were deprived of VA benefits by reason of administrative error by a federal government employee. The Secretary may also provide relief which the Secretary determines is equitable to a VA beneficiary who has suffered loss as a consequence of an erroneous decision made by a federal government employee. No later than April 1 of each year, the Secretary was required to submit to Congress a report containing a statement as to the disposition of each case recommended to the Secretary for equitable relief during the preceding calendar year; the requirement for this report expired on December 31, 2004.

Senate bill

Section 302 of the Senate Bill would extend the equitable relief reporting requirement through December 31, 2009.

House bills

The House Bills contain no comparable provision.

Compromise agreement

Section 403 of the Compromise Agreement follows the Senate language.

TITLE V—TECHNICAL AMENDMENTS

Technical and clarifying amendments to new traumatic injury protection coverage under servicemembers' group life insurance

Current law

Section 1032 of Public Law 109-13 (119 STAT. 257) established, effective December 1, 2005, a new traumatic injury protection program within title 38, United States Code. Section 1980A provides servicemembers enrolled in the Servicemembers' Group Life Insurance (SGLI) program automatic coverage against qualified traumatic injuries. In the event a servicemember sustains a qualified traumatic injury, SGLI will pay the injured servicemember between \$25,000 to \$100,000, depending on the nature of the injury and in accordance with a payment schedule prescribed by the Secretary of Veterans Affairs.

Senate bill

The Senate Bill contains no comparable provision.

House bills

Section 401 of H.R. 3665, as amended, would make various technical and clerical amendments to section 1980A of title 38, United States Code. These technical amendments more clearly specify the responsibilities of the different uniformed services who participate in the Servicemembers' Group Life Insurance program: military services under the jurisdiction of the Secretary of Defense, the United States Coast Guard under the Secretary of Homeland Security, the Public Health Service under the jurisdiction of the Secretary of Health and Human Services, and the National Oceanic and Atmospheric Administration under the jurisdiction of the Secretary of Commerce.

The technical amendments in section 401 are intended to clarify and to conform section 1980A of title 38, United States Code, to current provisions and are not intended to make any substantive change in current law.

The PNHVC furnishes information to employers with respect to the training and skills of veterans and disabled veterans and the advantages of hiring veterans. The Secretary of Labor provides staff and administrative support to the PNHVC to assist it in carrying out its duties under this section. The PNHVC also has the authority to contract with government and private agencies to furnish information to employers. Under current law, the PNHVC terminated on December 31, 2005. House bills

Section 201 of H.R. 3665, as amended, would amend section 6 of the Jobs for Veterans Act by extending, for up to 1 year, the President's National Hire Veterans Committee until not later than December 31, 2006. Section 201 would also extend the authorization for appropriations through fiscal year 2006 and require an additional PNHVC report to the House and Senate Veterans' Affairs Committees in 2006.

Mr. SUNUNU. Mr. President, today I rise in strong support of S. 1235, the Veterans' Housing Opportunity and Benefits Improvement Act of 2006. This legislation passed the House unanimously on Monday, and I urge my Senate colleagues to do the same.

S. 1235 contains many important provisions, but I would like to focus my remarks on section 101 of the bill, which deals with adaptive housing grants. Section 101 upgrades eligibility criteria for housing assistance grants to better reflect the needs of today's veteran community and will help all disabled veterans move home from medical facilities sooner. The language in section 101 is almost identical to my bipartisan legislation, S. 1947, The Specially Adapted Housing Improvements Grants Act and a bi-partisan amendment I introduced to S. 1932, the Deficit Reduction Act, which passed the Senate unanimously by voice vote.

First, I want to acknowledge my House colleague, Representative JOHN BOOZMAN of Arkansas, who serves as Chairman of the Veterans' Affairs Subcommittee on Economic Opportunity and has demonstrated real leadership on this issue. I am grateful to him for his considerable efforts to advance this measure in the House and I am happy to do so here in this Chamber. I also appreciate the hard work of the Chairman of the Veterans' Affairs Committee here in the Senate, Senator CRAIG, and the bipartisan group of Senators who cosponsored both my bill and amendment. The broad support of S. 1235 and its provisions represent a bipartisan belief on Capitol Hill that Congress must constantly evaluate veterans programs to make certain that our Nation provides responsive support to veterans.

While representing New Hampshire in the House and Senate, I have worked to ensure that those who served in our armed services receive their hard-earned benefits quickly and in full. Too often, out-of-date and burdensome regulations deny qualified veterans from receiving the benefits to which they are entitled. Whenever possible, it is imperative that we remove red tape that does not take into account the realities faced by today's veterans.

That is why I introduced legislation to reform rules that determine requirements for a Department of Veterans Affairs, VA, grant program that helps many disabled veterans make their

homes suitable for occupancy. Currently, a disabled veteran must at least partly own his or her residence to receive VA housing assistance grants to perform necessary residence modifications, such as installing wheelchair ramps or railings. However, many younger veterans returning from Iraq and Afghanistan have not yet had the opportunity to become homeowners. Being ineligible for VA funding assistance to modify their homes, these veterans and their families often are compelled to either shoulder the costs of retrofitting their residences or face extended stays in VA medical facilities.

Section 101 of S. 1235 will establish a 5-year pilot program to allow severely disabled veterans who live temporarily with family to receive up to \$10,000 in adaptive housing assistance; less severely disabled veterans could receive a maximum of \$2,000. This grant money will help ensure that all disabled veterans—regardless of whether they own property—are able to leave hospitals and return home as quickly as possible.

Also, mindful that these individuals will likely purchase their own residence, the bill will allow disabled veterans to receive two additional specially adaptive housing grants to be used for homes that they own in the future. Severely disabled veterans could receive a total of \$50,000 to modify residences; less severely disabled veterans would be eligible for a total of \$10,000. Only one of the three total grants could be used for a temporary residence, such as a family-owned home.

America's veterans have made enormous sacrifices to protect our Nation and the ideals for which it stands. Our country owes a special obligation to those men and women who have become disabled as a result of their service. Under no circumstances should these American heroes be divided into groups of "haves" and "have nots."

This Nation must do no less than to ensure that all disabled veterans are returned to the normalcy of home life as quickly and comfortably as possible. The common sense changes put forth in section 101 of S. 1235 do just that, and I urge my colleagues in the Senate to send this bill to President Bush to sign in to law in time, fittingly, for Memorial Day.

Mr. AKAKA. Mr. President, as ranking member of the Committee on Veterans' Affairs, I urge my colleagues to support our current servicemembers, veterans, and their families by supporting the pending measure, the final agreement on the Veterans' Housing Opportunity and Benefits Improvement Act of 2006. This is a vital and timely piece of legislation that has already passed the House of Representatives. With Senate passage today and the President's signature it will quickly become public law.

Mr. President, this measure, which I shall refer to as the "Compromise Agreement," will improve and expand a wide variety of veterans benefits and programs, including, among others,

housing benefits for Native American veterans and severely disabled servicemembers; insurance benefits for certain disabled veterans; compensation benefits for former prisoners of war; and programs that provide assistance to homeless veterans.

This legislation is appropriate at a time when our servicemembers are in harm's way. We must always remember the sacrifices that our servicemembers, both past and present, have made on behalf of this great Nation and we must do our part to respond to their service by improving and expanding veterans benefits.

In 1992, I authored the legislation that established a pilot program to make direct housing loans to Native American veterans for homes on tribal lands. As of the end of April, VA had made 504 loans to this group of veterans. Under this program, VA offers loan guarantees that protect lenders against loss up to the amount of the guaranty if the borrower fails to repay the loan. Prior to the enactment of this law, Native American veterans residing on tribal lands were unable to qualify for VA home loan benefits. With the Native American Veteran Housing Loan Program indigenous peoples residing on trust lands are now able to use this very important VA benefit. I am pleased that the Compromise Agreement contains a provision derived from legislation I offered, S. 917, that would make this pilot program, which was set to expire on December 31, 2008, permanent.

The Compromise Agreement also extends, from 1 to 2 years, the amount of time a disabled servicemember has to convert his or her Servicemembers' Group Life Insurance coverage into Veterans' Group Life Insurance coverage. This change is being made so that veterans may concentrate on recovering from their injuries or conditions, and not on meeting deadlines for life insurance conversion.

Under current law, former prisoners of war have to been held for a minimum of 30 days before they can benefit from a presumption that certain diseases are linked to their service. The Compromise Agreement also would add heart disease and stroke to presumptive conditions for service-connection for former prisoners of war.

Homelessness among veterans is a critical problem. It is particularly troubling to me that an estimated 56 percent of today's homeless veterans are minorities. The homeless rate in my home state of Hawaii has nearly doubled since early 2000, with the majority of Hawaii's new homeless being Native Hawaiians. The city of Honolulu has a tremendous problem with affordable housing, increasing the possibility of becoming homeless for those who already struggle to make ends meet. The Compromise Agreement would reauthorize through fiscal year 2009 the Homeless Veterans Reintegration Programs, which are the only Federal programs dedicated wholly to providing

employment services to homeless veterans.

Also included in the Compromise Agreement is my provision that would make a technical change to the specially adapted housing grant program. Last session, the law that allows severely disabled members of the Armed Forces to receive specially adapted housing grants from VA, while still on active duty, was inadvertently repealed. My provision would correct this and restore the grant to its original intent.

In conclusion, I thank Senator CRAIG and the benefits staff on the majority for their work on this comprehensive bill, especially Jon Towers, Amanda Meredith, and Lupe Wissel and, on the Democratic staff Dahlia Melendrez, Pat Driscoll, and Noe Kalipi for their hard work on this legislation.

Mr. President, I urge my colleagues to support this legislation on behalf of America's veterans and their families.

Mr. FRIST. I ask unanimous consent the Senate concur in the House amendments, the motion to reconsider be laid upon the table, and any statements related to the bill be printed in the RECORD.

The PRESIDING OFFICER. Without objection, it is so ordered.

MEASURE READ THE FIRST TIME—S. 3064

Mr. FRIST. Mr. President, I understand there is a bill at the desk, and I ask for its first reading.

The PRESIDING OFFICER. The clerk will read the title of the bill for the first time.

The assistant legislative clerk read as follows:

A bill (S. 3064) to express the policy of the United States regarding the United States relationship with Native Hawaiians and to provide a process for the recognition by the United States of the Native Hawaiian governing entity.

Mr. FRIST. Mr. President, I now ask for its second reading, and in order to place the bill on the calendar under rule XIV, I object to my own request.
